Veterans are proven leaders. But we're human. We may face money problems and mental health challenges, or retreat from family and friends as we try to adjust to civilian life. Don't ignore the hardships that could jeopardize your health, your livelihood, or your home. VA has allocated unprecedented resources for ending Veteran homelessness. For Veterans who are homeless or at risk of becoming homeless, VA is here to help. Make the Call to **877-4AID-VET** (877-424-3838) or chat online at va.gov/homeless to access the services our Veterans have earned.

There is no "typical" Veteran. Your oldest buddy, the store clerk, the woman playing with her children at the park—they all may be Veterans at risk of homelessness. The U.S. Department of Veterans Affairs (VA) is committed to ending Veteran homelessness by the end of 2015. VA is able to do this because it provides a wide range of services to eligible Veterans who are homeless or at imminent risk of becoming homeless, including:

- Health care
- Safe housing and temporary rental assistance
- Job training and financial counseling
- Help paying for child care or moving expenses
- Foreclosure avoidance through guaranteed loans

These resources—and others provided by local agencies and Veterans service organizations—have already helped thousands of Veterans. We are here to make sure that those who served our country get the help they need. But no one can end homelessness alone. Support your fellow Veterans. Make the Call to **877-4AID-VET** or visit va.gov/homeless to learn more about VA's campaign to end Veteran homelessness, and how you can help.
