

Problem Statement / Proposal

- **Problem Statement**

- VLER is completely dependent upon effective Information Sharing within VA, and with external partners
- VA does not have a cohesive sharing infrastructure, tools, policies and standards
- VA does not have a comprehensive picture of information sharing efforts across the enterprise

- **Proposal**

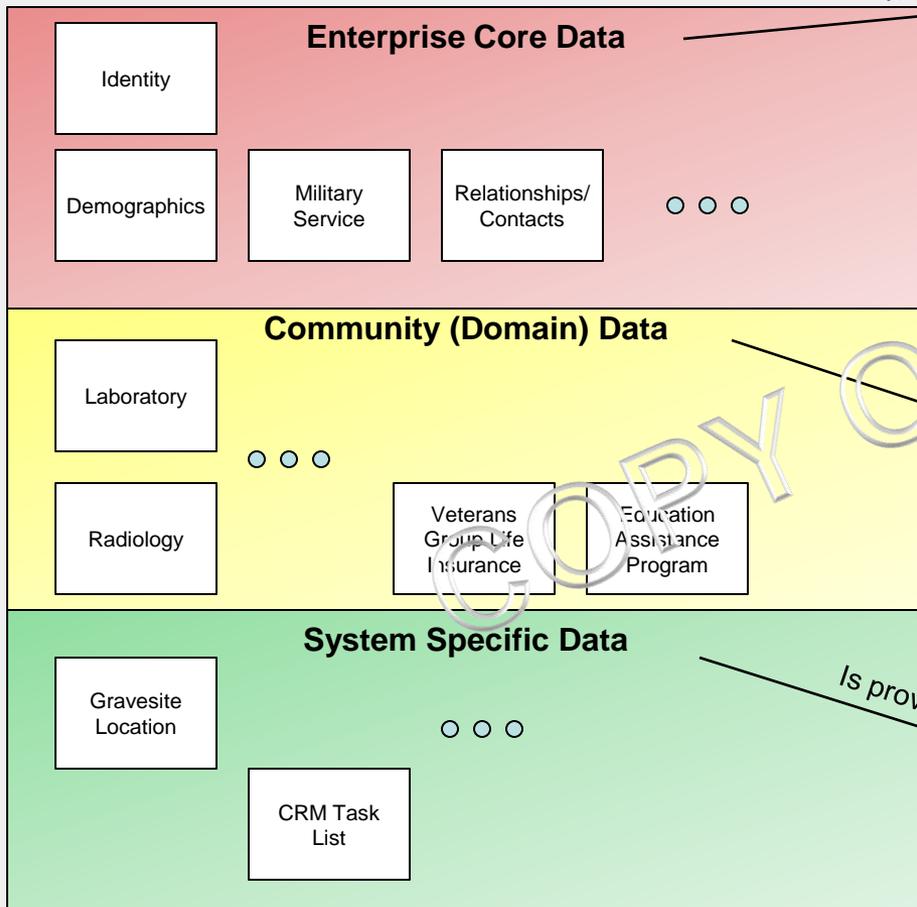

- ED VLER will facilitate cross-VA / IPO effort to align information sharing efforts
- Participants: VLER EP MO, ASD, OPP, PD, IPO
