

2017 Learners' Perceptions Survey

(Medical Student, Resident, or Fellow, MD or DO)

This is a confidential survey.

Why take the survey?

We value and need your input! The information you provide will help us to improve the educational experience for you and your fellow trainees at your VA facility. Please take the time to complete this survey. **Survey completion time averages 15 minutes.** Thank you!

OMB Control Number 2900-0691 Estimated Burden: 15 minutes Expiration date: 09/30/2019
Public Reporting Burden Statement

The Paperwork Reduction Act of 1995 requires us to notify you that this information collection is in accordance with the clearance requirements of section 3507 of the Paperwork Reduction Act of 1995. The public reporting burden for this collection of information is estimated to **average 15 minutes** per response. No person will be penalized for failing to furnish this information if it does not display a currently valid OMB control number. The collection of information is sponsored by the Department of Veterans Affairs (VA). The results of the survey will be used to improve the clinical training that takes place at VA medical centers. Response to this survey is voluntary and failure to respond will have no effect on your future employment or any claim you may file with the Department of Veterans Affairs.

If you have any questions about how to complete the survey, contact oaalpsurvey@va.gov.

Please select the VA facility where you had your most recent clinical training experience on or after July 1, 2016.
