

# VETERANS HEALTH CARE SERVICES

VA has a large network of health care professionals who are available to help Veterans with their health care needs. All enrolled Veterans have access to VA's comprehensive medical benefits, but certain benefits will vary from person to person, depending on each Veteran's unique eligibility status. VA provides a wide range of life-long healthcare services to Veterans with MS. The list below identifies some of the many services that may be available to Veterans. For more information visit [www.benefits.va.gov](http://www.benefits.va.gov).
