

2 YEARS FREE VA Medical Care

New Combat Veterans

You may be eligible for
FREE MEDICAL CARE
from VA for a **2-year**
period following your
separation from
military service.

Veterans who served in a theater of combat operations or hostilities after November 11, 1998 have **no copayment** during the **two-year** period after separating from military service for hospital care, medical services (to include medications), and nursing home care for:

- Any illness that cannot be clinically ruled out **as being** related to your combat service. VA clinicians make these determinations with the utmost flexibility.

In addition:

- If you enroll with VA during this two year period you will maintain enrollment status after this two year period.

Note: Co-payments after this two year period will be dependent upon your particular eligibility status at that time.
