# 2024 VA Quadrennial National Women Veterans Summit

September 5-7, 2024 | Washington D.C.

“The Year of Empowerment”

Our summit brings all VA resources and services in one place to connect women Veterans and transitioning service women to the benefits and services they have earned.

Representatives from the women Veterans' community, Veterans Service Organizations, Military Service Organizations, Non-governmental Organizations, nonprofits, Veteran's service providers, local/state/federal entities, VA employees, and other stakeholders will be available to:

- Provide and exchange information about the Department of Veterans Affairs benefits, services, including health screenings
- Facilitate resolution to current challenges women Veterans are facing, especially any unique needs

- Engage in transparent dialogue about issues impacting women Veterans, that can lead to big ideas that will improve care and services
- Share women-focused research and innovations and connect with community partners
