

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	St. Louis County CoC	CoC Number:	MO-500
CoC Representative:	Andrea Holak	Title:	Manager-Homeless Services Program
Phone/Email: 314-615-4413 Aholak@stlouisco.com			
Person Completing this Summary:	Lana Watson	Title:	Sr. Manager of Employment Services-SSVF
Phone/Email: 314-802-5477 lanawatson@stpatrickcenter.org			

1. Primary Planning and Coordination Group: Identify the primary group responsible for planning and coordinating efforts to prevent and end homelessness among Veterans in the CoC. List the principal members of this group and their affiliation.

Primary Group Name:	St. Louis County COC		
Principal Members	Affiliation		
DAV	Roger Johnston		
Saint Louis County Executive	David Kollore, designated by City Executive Steve Stanger		
VAMC-Hope Recovery Center	Joanne Joseph- HOPE Programs Supervisor		
Saint Louis County Homeless Services	Andrea Holak-Manager Homelss Services Program		
US VETS	Bill Wallace- Executive Director		
Public Housing Authority-St. Louis County	Susan Harrod-Executive Director		
Saint Louis Healthcare system	Keith Repko, VA St. Louis Deputy Director		
Employment Connection	David Kessel- Chief Operating Officer		
Department of Mental Health	Judy Johnson		
GPD Program-Salvation Army	Vatelle Jackson-Progam Manager		
GPD Program-St. Patrick Center	Jon Belcher- Program Manager		
Release to rent, GPD	Aaron Laxton-Program Manager		

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

Monthly COC meetings are held to coordinate homeless services, and leadership meetings are held on a quarterly and monthly basis with the VA to discuss Veteran homelessness and collaborative efforts to meet Veteran needs. Within Saint Louis County, shelters are already identifying Veterans at intake, and referring them to the local VAMC for services. St. Louis County Housing Authority will also convert HUD VASH vouchers into Sec. 8 vouchers, in order to utilize the existing VASH vouchers for other homeless Veterans. Coordination is also made with the local GPD programs, and US VETS is establishing more units to provide housing for low income Veterans. St. Louis County's Veteran Program receives referrals for the homeless Veterans and then provides case management, rental and utility assistance along with other supportive services.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	108
--------------------------------	-----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	40	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	35	0	35
Of number above, how many will also be counted as chronically homeless:	7	0	7

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

The strengths within this COC are that they have an organized strategy for overcoming homelessness within the community. Once a homeless Veteran is recognized on the streets, or at shelter intake, they are immediately referred to the VA for resources, or to the SSVF program. Referrals also come to the County Veterans program and Veterans are referred from there to the appropriate agencies for assistance. Efforts have already been made to establish each Veteran by name, but in the past, the release forms that were signed did not give release to the VA. These are being changed in order to provide referrals. Overall, we are pushing to decrease the length of stay in shelters and overall time homeless (whether in shelter or on the street). We are currently going through the process of implementing a coordinated assessment/entry policy, which would allow us to prioritize high needs categories of clients, such as veterans to receive services. As a part of that process, we need to realign our transitional, rapid and permanent supportive housing so people will have a place to go, rather than just staying in shelter for an extended period of time. We are starting a pilot of this program on August 3rd and, if successful, will deploy this CoC-wide very shortly. Being able to enroll homeless veterans from the County into the SSVF P2 grant has been a great help as well, and has allowed us to engage and enroll more homeless Veterans from STL County. With the addition of the coordinated assessments, and further outreach into the shelter system, we hope to be able to keep a list of all homeless Veterans updated within the COC and ensure that they all have housing plans once engaged.

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

Monthly meetings are currently being held with stakeholders, developing an operational plan, and quarterly meetings are held with other agencies within the community. In collaboration with the stakeholders, the following plans have been developed to fill the gaps for any homeless veteran: 1) Whenever a homeless veteran is found on the streets, immediate connections are made to the VA on their behalf. 2) St. Louis City Housing Authority has agreed to convert some of the current HUD VASH vouchers into Sec. 8 vouchers, thus enabling the HUD VASH vouchers to be used for current homeless veterans. 3) US VETS is working to secure additional housing units to house low income veterans in the community. 4) HEROES Care and DAV will continue to assist with needed items for establishing their homes once they move in. 5) Efforts are made within the homeless shelters, that once a veteran is identified, that they are referred to the VA for services.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	96
--------------------------------	----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	45	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	50	0	50
Of number above, how many will also be counted as chronically homeless:	20	0	20

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

Various strengths exist within this COC: 1) There is a strong willingness to coordinate housing within the Continuum to house homeless veterans. 2) The public housing authority converting HUD VASH vouchers will allow us to utilize even more VASH vouchers for Veterans. 3) Plans are being established for the 2016 PIT to rapidly rehouse any Veteran who may be found on the street that day, with plans to transition them in place. A few of the challenges have been that the largest area where we have gaps for housing is within permanent supportive housing; we will use the HUD VASH vouchers to fill this gap. Housing Veterans who have legal or justice involvement, zero income, and numerous evictions often cause them to have to wait longer to secure permanent housing. Often individuals who are presenting with homelessness congregate to the City where homeless services are more accessible. SSVF is strategically working with the shelter systems now, to develop ROI's and communication as to when a Veteran enters into shelter.

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	St. Charles, Lincoln, Warren Counties CoC	CoC Number:	MO-503
CoC Representative:	Title:		
Dottie Kastigar	Community Council of St. Charles County		
Phone/Email:			
636-978-2277 x 407/// dkastigar@communitycouncilstc.org			
Person Completing this Summary:	Title:		
Lana Watson	Sr. Manager of Employment Services-SSVF		
Phone/Email:			
314-802-5477/// lanawatson@stpatrickcenter.org			

1. Primary Planning and Coordination Group: Identify the primary group responsible for planning and coordinating efforts to prevent and end homelessness among Veterans in the CoC. List the principal members of this group and their affiliation.

Primary Group Name:	St. Charles, Lincoln and Warren Counties COC		
Principal Members	Affiliation		
Greg Schowe-President	God Cares Ministry		
Melissa Kaufman-Resource Specialist	Bridgeway Behavioral Health-women's center		
Jenny Thompson-Headway Program Director	Crider Health Center		
Miriam Mahan-Executive Director	St. Joachim & Ann Care Service		
Matt Miller-Coordinator	Neighbor Helping Neighbor-Calvary Church		
Peggy Sherwin-Shelter Director	Salvation Army Shelter- O'Fallon		
Cheryl Moellenhoff; Dave Fitzgerald	Volunteers in medicine-Lake St. Louis, St. Charles		
Judy Johnson	Dept. of Mental Health		
Jessica Hawkins-CDBG administrator	City of O'Fallon		
Anita Telcamp-CDBG administrator	City of St. Charles		
Amy Heckart-CDBG administrator	City of St. Peters		
Kathy Thompson-Director	LINC-St. Charles County		
Karen Craven-Disability specialist	Developmental Disabilities Board		

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

Monthly COC meetings are held at which time Veteran services and coordination for homeless veterans is discussed. When leadership calls are held with the VA, coordination is made within this COC also, to end Veteran homelessness. Within this community, SSVF is the only resource for homeless veterans and therefore, when a Veteran is in need of these services, direct contact with the COC lead is made to obtain services. However, there is a deeper connection needed within Lincoln County, and this outreach is being conducted at this point in time. Further outreach has already been conducted in Warren county. The COC is also working on Coordinated Assessments, which will give priority to the Veteran population. It will consist of a triage screening system integrated with a referral system.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	6
--------------------------------	---

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	20	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	8	0	8
Of number above, how many will also be counted as chronically homeless:	2	0	2

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

The strengths in this COC is that the community has a strong commitment to end homelessness, developing strong ties among community providers; and providing appropriate referrals to assist homeless Veterans. There are many differences within the rural communities which makes it more difficult to locate and serve the Veterans in need: 1) Many Veterans do not want to ask for assistance and/or do not trust the VA and others who may want to assist. 2) Many homeless are doubled up within the rural communities, couch surfing, causing it to be more difficult to locate and assist Veterans. 3) There are very few homeless shelters within this region. 4) Most all permanent supportive housing has an extremely long wait list. Although the PIT count reflects a very low amount of Veterans within this COC, it is well-known that there are more homeless Veterans than the PIT count reflects. However, with SSVF within this region, and additional VASH vouchers, once a Veteran is recognized as homeless, they should immediately be engaged for services and work toward permanent housing. A list is being devised by SSVF for any homeless Veterans in the area, and shelters, along with other Social Service agencies are reporting any homeless veterans to the COC.

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	Springfield/Greene, Christian, Webster Counties CoC	CoC Number:	MO-600
CoC Representative:	Michelle Garand	Title:	CoC Interim Director
Phone/Email:	417-225-7425 / mgarand@commpartnership.org		
Person Completing this Summary:	Randy McCoy	Title:	Director of Housing Programs, The Kitchen, Inc.
Phone/Email:	417-225-7425 / rmccoy@thekitcheninc.org		

- 1. Primary Planning and Coordination Group:** Identify the primary group responsible for planning and coordinating efforts to prevent and end homelessness among Veterans in the CoC. List the principal members of this group and their affiliation.

Primary Group Name:	Springfield Ending Veteran Homelessness Ad Hoc Committee	
Principal Members	Affiliation	
Randy McCoy	The Kitchen, Inc.	
Ginger Risner	The Kitchen, Inc.	
Michelle Garand	CPO	
Jim Harriger	Victory Mission	
Jeff Smith	Salvation Army	
Kim Pearson	VA	
Michelle Reinmiller	VA	
Maura Taylor	Catholic Charities	
Jack Hembree	Veterans Task Force Chair	
Liz Hager-Mace	Department of Mental Health	
Marcy Van De Berg	VA	
Katrina Wolfram	Housing Authority of Springfield	
Matt Gass	Burrell Behavioral Health	
Romona Baker	Council of Churches	
Michael Tonareilly	One Door- Coordinated Assessment	
TBD	Veterans Coming Home Center	

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

The oversight committee has failed to meet on a regular basis. Planning and ongoing discussion have continued to further implement the plan though. Additional meetings are planned in July and additional housing opportunities have been discussed and identified. The local Housing Authority is working to site base VASH vouchers in a proposed LIHTC project focused on special needs populations, specifically homeless veterans. This project is not 100% veteran, but seeks to provide community integration.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	33
--------------------------------	----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	45	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	30		30
Of number above, how many will also be counted as chronically homeless:	15		15

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Under Dev
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Under Dev
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

The largest gap in the plan currently is identifying all homeless veterans by name and identifying housing needs for each one. To meet this challenge an increase and intensification of street outreach is planned. These efforts should start within the next thirty days. These efforts will add additional staff and hours of outreach and fully incorporate elements used by chronically homeless outreach teams including VI-SPDAT for prioritization and initial housing plans for shelter admission and permanent housing placement. Additionally, the SSVF program completed a reallocation in Q3 that should allow for additional clients to be housed. HUD funded PSH grants for chronically homeless individuals and RRH for Families have grant savings that can be used to house additional veterans. this should help in reducing the length of homelessness and meet the functional zero goal.

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	Joplin/Jasper, Newton Counties CoC	CoC Number:	MO-602
CoC Representative:	Louise Secker	Title:	Dir of Development, Lafayette House; Chairperson CoC 602
Phone/Email: 417-782-1772; elsecker@hotmail.com			
Person Completing this Summary:	Margaret Hart, LMSW	Title:	Program Manager, SSVF Catholic Charities of SO MO, Inc.
Phone/Email: 417-720-4213; mhart@ccsomo.org			

- 1. Primary Planning and Coordination Group:** Identify the primary group responsible for planning and coordinating efforts to prevent and end homelessness among Veterans in the CoC. List the principal members of this group and their affiliation.

Primary Group Name:	
Principal Members	Affiliation
Louise Secker, Alison Malinowski Sunday	Lafayette House
Krystal Sullivan	James 1:22 Project
Amy Thompson	Children's Haven
Anita Franson	UMOS, Inc.
Renee White	Joplin Community Clinic
Brian Ross	Harry S Truman Coordinating Council
Carrie Graciano	Access Family Care
Dan Pekarek	City of Joplin
Debbie Marman, Robin Smith, Staci Miller, Tammy Walker	Economic Security Corp/Community Action Partnership
Debra Gaskill	Salvation Army
Dirk Cable	Dept. of Mental Health
Lisa Badgley	Freeman Health
Michelle Reinmiller	VA
Roychaudhury Bhend	Legal Aide of Western MO
Sandy Wilson	Institution of Community Alliances
Sharon Subhaw	Joplin Schools
Larry Thomas	H.O.U.S.E. Inc.
Kathy Lewis	Crosslines

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

The Joplin/Jasper/Newton CoC (CoC 602) meets monthly. Representatives from a broad range of agencies and government are involved. The group shares updates regarding services, funding, grant applications/awards, unmet needs and trends and provides occasional educational opportunities. CoC 602 has a subcommittee which is studying Coordinated Assessment and preparing to advise the larger group regarding their findings. The CoC participates in the Point in Time count and organizes the annual Homeless Connect event to provide resources to the area homeless. Additionally, the Mt. Vernon CBOC and Joplin Housing Authority work together to provide the HUD-VASH program in the Joplin area and Catholic Charities of Southern Missouri's SSVF program has worked with many of the HUD-VASH clients to facilitate rapid rehousing. The SSVF program also works with H.O.U.S.E. Inc., an HCHV contract residential treatment/GPD program to assist in rehousing veterans from those programs.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	85
--------------------------------	----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	20	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	27	3	30
Of number above, how many will also be counted as chronically homeless:	9	2	11

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Under Dev
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

Since the last report, Catholic Charities of Southern Missouri is working to create a Homeless Veteran Task Force in the Jasper/Newton CoC. There are many interested parties but no form of organization to bring the various veteran interest groups together around the issue of ending homelessness among veterans. Since the city of Joplin is in this CoC, and Mayor Michael Seibert of Joplin is one of only 5 Missouri Mayors who have signed onto the Mayors Challenge to End Veteran Homelessness, we are excited about the potential for this group to make a great impact. end of update 06/30/15 This CoC covers the urban Joplin area and very rural areas. The PITC may not accurately account for the rural homeless who tend to double up or stay with friends. Therefore, the PITC may provide an underestimate of the true number of homeless. That being said, this tool still produced an estimate of a shortage of 4 beds. Challenges in this area include a general shortage of housing especially since the tornado in 2011 which destroyed a large portion of the city's housing pool, especially the affordable housing. Strengths are a local commitment to end homelessness, especially among veterans, a housing department that is willing to be flexible and a strong HUD-VASH program.

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	St. Joseph/Andrew, Buchanan, DeKalb Counties CoC	CoC Number:	MO-603
CoC Representative:	Randy Sharp	Title:	InterServ Associate Director of Operations
Phone/Email: 816-238-4511 / rsharp@inter-serv.org			
Person Completing this Summary:	Rachel Pederson	Title:	SSVF Program Director

Jezwah Harris	MWSU/Health Dept.		
Becky Poitras/Shannon White/Connie McFarlin/Kristen Glick	Hillcrest Ministries		
Jerre Moore	Legal Aid of Western MO		

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

The above group meets on a monthly basis. There are also various committees that meet to work on special initiatives, such as the Chronic Homeless Task Force, HMIS, and Coordinated Intake. HUD CoC funding applications are reviewed and ranked based on established CoC priorities by this group in addition to special projects such as a "summer outreach" plan. In addition, the group establishes an annual CoC action plan that directs many of the CoC and agency member efforts. In 2014, the CoC included in their strategic plan a "Goal to Prevent and End Homelessness Among Veterans in 5 Years", along with other similar goals regarding homelessness and chronic homelessness. SSVF will be requesting to modify that goal to align with the VA's goal of ending Veteran homelessness at the end of 2015 and incorporation of "functional zero" goals. In 2014 the following goals have been set and/or progress has been made: adoption of the use of VI_SPDAT as prioritization tool, working to reduce barriers for placement in permanent housing programs, increasing partnerships with the local public housing authority to ensure acceptance of HUD-VASH vouchers and to increase available housing, increase utilization of SSVF for rapid re-housing, utilization of ESG prevention and rapid re-housing funds, and finalization of a coordinated assessment tool (yet to be fully implemented but is in progress).

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	74
--------------------------------	----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	30	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	6	0	6
Of number above, how many will also be counted as chronically homeless:	2	0	2

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

Strengths: The CoC is a very close-knit group of providers, government agency representatives, and other stake-holders who have been long time members of the CoC and who have been very invested in goals of ending chronic homelessness and increasing resources in the community. While a smaller community, the CoC is typically ahead of other smaller communities in responding to new HUD and VA initiatives. The community has an action plan for ending homelessness. **Challenges:** The community has poor housing resources and most of the affordable housing stock is taken or is in need of repair somewhat related to a significant economic decline in the community at large (there is little community development occurring, the business/industry sector has seen a decline in past years with no rebound, and the job market has experienced a similar decline). **UPDATE: The community is making progress toward a coordinated assessment system.**

SSVF: Community Plan Summary

Date Completed/Revised: 7/1/2015

Continuum of Care Name:	Kansas City/Independence/Lee's Summit/Jackson County CoC	CoC Number:	MO-604
CoC Representative:	Vickie Riddle	Title:	Homeless Services Coalition Executive Director
Phone/Email: 816-924-7997 / vriddle@hscgkc.org			
Person Completing this Summary:	Evelyn E. Craig	Title:	President & CEO, reStart, Inc.
Phone/Email: 816-472-5664, ext. 252/ ecraig@restartinc.org			

- 1. Primary Planning and Coordination Group:** Identify the primary group responsible for planning and coordinating efforts to prevent and end homelessness among Veterans in the CoC. List the principal members of this group and their affiliation.

Primary Group Name: Zero 2016/Continuum of Care/Regional Task Force	
Principal Members	Affiliation
The Hon. Scott Wagner	Task Force Chair/Zero:2016/Mayor's Challenge to End Veterans Homelessness
Megan Judd	MAAC
Howie Howard	MAAC/Zero:2016/Regional Task Force
Jennifer Tidwell	HUD Regional Director
Jason Bohn	MARC/Regional Homeless Task Force/Zero:2016
Debra Fester	Salvation Army Dv. Veterans & Recovery Services
Evelyn Craig	reStart, Inc., Zero:2016/Regional Task Force
Cindy Spencer	Kansas City Veteran's Administration/HUD VASH
Sondra Robinson	Kansas City Veteran's Administration/Zero:2016
Karen Gettinger	United Way of Greater Kansas City/2-1-1
Patricia Becher	reStart, Inc.
Kevin Jamison	reStart, Inc.
Rachel Pederson	Salvation Army
Sophia Stachofsky	Salvation Army
Ed Lowndes	Housing Authority of Greater KC/Regional Task Force/Zero:2016
To Be Determined	Law Enforcement
Stuart Bullington	Kansas City, Missouri Neighborhood and Housing Dept.
Mark Churchill	Catholic Charities

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

Following the completion of a highly successful 100,000 Homes Campaign in Kansas City through which 434 households were placed in permanent housing (including 107 Veterans), more than 20 agencies in the Continuum work together to end Veteran homelessness. In coordination with Zero:2016 KC, agencies meet two times a month to review Veterans who are homeless, track progress toward re-housing, and coordinate efforts to keep Veterans and their families in stable housing as well as to prevent future homelessness. Critical to our efforts is the use of a community-wide list of homeless and vulnerable veteran households, based on the results of completed VI-SPDATs (Vulnerability Index - Service Prioritization Decision Assistance Tool) that is our common assessment tool. Each participant has an MOU signed by their CEO to ensure confidentiality since client-level information is shared. In addition, we analyze need for revision to this plan, including demand, utilization, homeless counts, unmet needs, methodology for PIT counts of homeless Veterans, and coordinate with other VA housing programs (HUD-VASH, GPD, HCHV) and review of emergent best practices and/or relevant research.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	388
--------------------------------	-----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	30	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	21	0	21
Of number above, how many will also be counted as chronically homeless:	0	0	0

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Yes
Is this list updated regularly?	Yes
Is this list reviewed at least bi-weekly by key community partners to ensure Veterans have a permanent housing plan and those plans are achieved?	Yes
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	Yes
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	Yes
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

Strengths: We have already implemented use of the VI-SPDAT across both continuums that are engaged in the SSVF programs. It is also already in our HMIS database. We have two Zero:2016 Communities, both communities participate in the Mayor's Challenge to End Veteran Homelessness and there are already coordinated regional efforts to end homelessness in place. **Challenges:** As a community we have not fully implemented Coordinated Assessment and we have to get up to speed on that quickly. Working to integrate SSVF within other already occurring efforts is a challenge. We are also finding that the majority of the veterans we are serving are extremely low income.

Craig Barwick	John J Pershing VAMC
Michelle Reinmiller	VA Mt. Vernon CBOC
Rose Aker	Salvation Army
Lisa Morgan	Pathways Community Behavioral Health
Rachel Pederson	Salvation Army

2. Ongoing Review and Coordination: Briefly describe how often (e.g., monthly) the above group meets to review progress and coordinate efforts. Include a summary of what information is reviewed during these meetings.

The Missouri Balance of State SSVF Shared Geography Team continues to meet on a quarterly basis. In addition, throughout the quarter information is exchanged via e-mail or telephone. MO BoS covers 101 counties in the state of Missouri. Due to the geographical separation of communities each representative works through their own networking groups within their respective communities. These networking groups include but not limited to local social service organizations, Veteran Service Organizations, VA's, and other locally established groups that meet on a regular basis and whose mission is to provide assistance to those in need. Many local groups consist of representatives from local businesses, churches, schools, social service agencies, citizens and students. These groups along with the Inter-agency Team meet on a monthly basis.

3. Annual Demand, Goals, and Strategies for Achieving and Sustaining Functional Zero: Identify the estimated number of Veterans who are homeless annually and the community/CoC goals and strategies for achieving a functional end to Veteran homelessness by the end of 2015 (overall community/CoC goals, not just SSVF grantees). If one or more of the goals and strategies below have not yet been established for the community, leave blank and identify the date by which they will be established. See the **Ending Homelessness Among Veterans Overview** for additional guidance.

3A. Estimated Annual Number of Homeless Veterans: Identify the total unduplicated number of Veterans expected to be homeless in 2015 using data from the SSVF Edition of the Veteran Homelessness Gaps Analysis Tool FY15Q3 or data assumptions that have already been adopted by the community, such as the *VA CoC Gaps Analysis Tool (GAT)*.

Estimated Annual Total:	371
--------------------------------	-----

3B. Community/CoC Goals: Identify your community's/CoC's key goals and targets.

A. Permanent Housing Placement Target & SSVF Rapid Re-Housing Placement Target:
Complete and attach *SSVF Edition of Veteran Homelessness Gaps Analysis Tool FY15Q3 OR an CoC Gaps Analysis Tool – Strategy 4 (SSVF) Worksheet*

B. Length of Time Homeless Goal (max or average days):	10	days
---	----	------

C. January 2016 Point-in-Time (PIT) Count Goal	Sheltered	Unsheltered	Total
Number of Veterans expected to be counted as homeless during the CoC's January 2016 PIT count:	96	8	104
Of number above, how many will also be counted as chronically homeless:	32	3	35

3C. Implementation Strategies: What strategies are being used to achieve and sustain functional zero?

	Yes/No/Under Dev
A. Has your community identified every Veteran who is homeless right now by name?	Under Dev
B. Does every Veteran who is homeless now have a Housing Plan and access to safe (and low barrier as needed) shelter and/or permanent housing?	Yes
C. Is every Veteran who becomes homeless rapidly engaged and offered shelter and/or housing that meets their needs?	Yes
If so, is this true no matter where they are initially engaged in your community or what shelter or unsheltered location they may be in?	No
D. Are sufficient SSVF resources allocated to ensure there are no RRH gaps or turn-aways?	No
E. Are you using SSVF to rapidly re-house Veterans who are waiting on VASH or other PSH assistance if VASH/PSH is not available immediately or in near future?	Yes

4. Other Strengths and Challenges: Briefly describe any additional strengths and/or challenges relevant to your achieving VA and local goals.

Missouri Balance of State CoC covers 101 counties throughout the state of Missouri. Due to the vast geographical separation of all the BoS communities each agency represented are compiling and maintaining their own AOR listing of homeless veterans. Initial community listings will be completed prior to next Summary update. All homeless veterans entered into SSVF program have an initial Housing Plan within 5 days of enrollment and offered access to safe shelter, type is dependent on availability in local communities, until permanent housing can be identified and obtained. Note: There are some communities within the BoS that have no GPD, transitional housing or emergency shelters within a commuting time of an hour or less. All homeless veterans within an SSVF service area are offered shelter of some kind when engaged. However, out of the 101 counties within the BoS there are 27 counties which are not covered under the SSVF program and have very limited, if any, shelters, transitional housing, or points of contact available for the homeless to access. As there are no SSVF funds available for these particular counties it is difficult to ensure there are no turn aways in these areas.
