 - c. The Office of Acquisition, Logistics and Construction is currently developing revised versions of VA Directive 7240, Transportation and Traffic Management (dated May 24, 1996) and VA Handbook 7240, Transportation and Traffic Management (dated May 24, 1996) so that those policy documents appropriately implement and supplement the transportation management, procurement, audit, payment and documentation requirements set forth in parts 102-117 and 102-118 of the FMR.
- 2. RESPONSIBLE OFFICE:** Office of Acquisition, Logistics and Construction (OALC) (003), Office of Procurement, Acquisition and Logistics, Logistics Support Service (003B7).

- 3. RESCISSION:** This Notice expires one year after publication. However, the rescission of VA Directive 7241 (dated March 6, 1996) and VA Handbook 7241 (dated March 6, 1996) will remain in effect permanently.
