

**RESCISSION OF VA DIRECTIVE 6000**

1. This Notice rescinds VA Directive 6000, VA Information Resources Management (IRM) Framework. VA Directive 6000 defined an integrated VA IRM Framework process that consisted of planning, budgeting, procurement, and management-in-use of information technology (IT) investments. The process required IT investments to be measured in relation to their support of VA's mission, program goals, and objectives.

2. Inquiries regarding this rescission should be addressed to the Office of Information and Technology (005), Office of Information Protection and Risk Management (005R), Office of Privacy and Records Management (005R1).

3. **RESCISSION:** The subject directive will be rescinded effective the date of this Notice.
