Introduction

Based on feedback from the field, the following changes have been made to the Battlefield Acupuncture Template

Here is a summary of the changes:

1) Addition of language for absolute contraindications in alignment with national training guidance
2) More detailed information in the note regarding consent and risks/benefits of the procedure(s)
3) Clarification of time statement to conform with coding guidance following consultation with HIMS
4) Update of aftercare instructions to match current training and Veteran facing aftercare handouts
5) The version is now 4.1
