## **Introduction**

The Maternity Care Coordinator (MCC) reminder dialog has been updated to better assist MCC's to complete documentation as outlined in the MCC Telephone Care Manual. MCCs reference this manual to direct them to what should be covered during patient contacts. This current update was addressed to support the mandates from the Protecting Moms Who Served Act and the White House Blueprint for Maternal Health, which require following patients through pregnancy and 12 months post-partum.

The intended use is for MCCs, or those acting in that capacity, to document and track pregnant Veterans whose maternity care is being paid for by the VA, according to the VHA Directive 1330.03.

The MCC dialog is mandated for use by MCCs. A link to the directive is here:  
[https://www.va.gov/vhapublications/ViewPublication.asp?pub\\_ID=9095](https://www.va.gov/vhapublications/ViewPublication.asp?pub_ID=9095)

A second reminder dialog titled VA-WH ADMINISTRATIVELY CLOSE PREGNANCY is included in this package. The intent of the dialog is for MCCs to use it in order to administratively close a pregnancy.

UPDATE\_2\_0\_419 contains 1 Reminder Exchange entry:
