ANNUAL REPORT OF THE BOARD OF MANAGERS
OF
THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS
FOR THE FISCAL YEAR ENDED JUNE 30, 1916.

To the honorable the Senate and House of Representatives of the Congress of the United States:

The Board of Managers of the National Home for Disabled Volunteer Soldiers, in obedience to law, presents the following report of the institution under its charge for the year ending June 30, 1916:

There has been no change in the membership of the board of managers since submitting the last report.

In conformity with the resolution of the board of managers, November meeting, 1914, the headquarters office of the home was, on July 1, 1915, removed from New York City to Kansas City, Mo. At the meeting of the board of managers in March, 1916, a resolution was adopted directing the removal of the headquarters office from Kansas City, Mo., to the Central Branch, National Military Home, Ohio, and that a post fund building at the branch be occupied without rental. The headquarters office was, in the latter part of May, 1916, moved in accordance with this resolution. The act of Congress of date July 1, 1916, embodies a provision as follows:

The headquarters of the National Home for Disabled Volunteer Soldiers shall be established and hereafter maintained at the Central Branch, National Military Home, Ohio, and shall occupy for offices, without expenditure for rent, any general or post fund building.

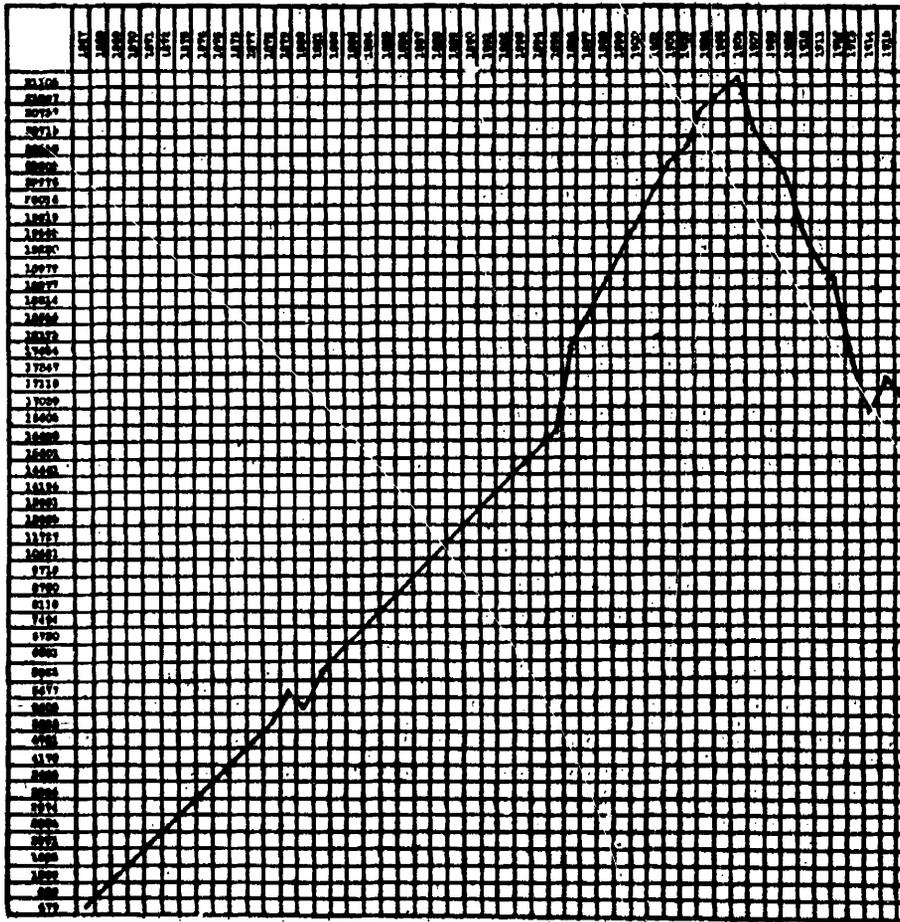

The affairs of the home have been administered in accordance with the laws and established regulations. All of the branch homes have been visited and inspected during the year by the board of managers, and the president of the board has made special trips to practically all the branches. On these visits of the board and special visits of the president of the board, members of the various branch homes have been invited to appear and make any request or complaint which they might care to submit, also to offer suggestions for the improvement of conditions. All such requests, complaints, and suggestions are given consideration and such action taken as deemed practicable in the interest and welfare of the members, and, as president of the board, I have now adopted the practice of notifying each and every man appearing before me of the action taken in his case. All of the branches have been regularly inspected by the inspecting officers of the home and efforts made to correct all irregularities and faulty conditions.

The inspection required by the act of August 18, 1894, was made by Maj. William P. Jackson, United States Army, inspector general, beginning on August 31, 1915, and completed November 13, 1915.

During the period covered by this report, 30,741 members were cared for in the several branches of the National Home, an increase

of 295 over the year previous. There were cared for in the 31 State homes receiving Federal aid 18,296 members, a decrease of 947 from the number reported the year previous. The total cared for in the National and State homes during the year was 49,037, a decrease of 652 from the year previous. The average number of members present in the National Home, including those cared for temporarily, during the year, was 17,039, a decrease of 79 from the year previous. The average number present in State homes was 10,620, a decrease of 435 from the year previous. The average present during the year in the National and State homes was 27,659, a decrease of 514 from the year previous.

The increase and decrease in the average number present annually to the National Home from its organization is illustrated by the attached chart.

The following table gives the comparative statistics for the years ending, respectively, June 30, 1915, and June 30, 1916:

The cost per capita for maintenance, general fund (excluding construction), was \$223.56, an increase of \$8.83 over that of the year previous. The cost of maintenance per capita, special funds, was \$8.40, an increase of 53 cents over that of the year previous, making a total increase in cost from both funds of \$9.36.

During my service as president of the board of managers my attention has been especially called to a condition of affairs which I think requires action from your honorable body. At present the requirements for admission to the National Home are as follows:

"The following persons only shall be entitled to the benefits of the National Home for Disabled Volunteer Soldiers and may be admitted thereto upon the order of a member of the board of managers, namely: All honorably discharged officers, soldiers, and sailors who served in the Regular or Volunteer forces of the United States in any war in which the country has been engaged, including the Spanish-American War, the Provisional Army (authorized by act of Congress approved Mar. 2, 1899), in any of the campaigns against hostile Indians, or who have served in the Philippines, in China, or in Alaska, who are disabled by disease, wounds, or otherwise, and who have no adequate means of support, are not otherwise provided for by law, and by reason of such disability are incapable of earning their living. (Act of Congress, Mar. 3, 1915.)"

This act is merely a consolidation of previous acts extending the benefits of the National Home to certain soldiers and sailors, there being no provision made for soldiers or sailors who have served in the forces of the United States since 1909.

Since 1909 soldiers and sailors of the United States have been in battle at Vera Cruz, in northern Mexico, and our soldiers have for the last six years been engaged in the most arduous service on the borders of Mexico, and during the last summer in the neighborhood of 75,000 Federalized National Guard men have also been engaged in active service. Through the wording of the present act anyone disabled in these services is not eligible for admission to the National Home. Cases have arisen of men applying at the various branches with disability discharges from the Army—disabilities incurred in the arduous service referred to above—and I have directed that they be taken care of while needing medical attention, feeling that it was the wish of your honorable body to carry out the spirit of the American people in taking care of its soldiers, rather than the letter of the law.

Besides the various features of the Mexican service, there is no provision for men serving in the second occupation of Cuba, in Panama, or in the campaigns like those carried on by the United States in Nicaragua, Haiti, and San Domingo.

I feel, therefore, that in justice to American soldiers and sailors the present law should be changed to provide for the above-mentioned classes of service, and I feel that this is especially necessary to-day, when an effort is being made to increase very materially the strength of the Regular Army. It is necessary to make the service as attractive as possible, and if a man enlisting in the Regular Army knows that in case of disability he will be taken care of in the Soldiers' Home it will, in my opinion, assist in recruiting.

The report of the secretary of the board of managers, with which he transmits the journal of the proceedings of the board of managers, the record of members, and the reports of the governors of the several branches; the report of the general treasurer, showing the financial transactions of the home; and the report of the inspector general and chief surgeon, giving in detail statistics relative to the membership and health, also his report of the inspections of the State homes, which have been made under the direction of the board of managers, as authorized by act of Congress approved August 27, 1888, all accompany this report.

GEORGE H. WOOD,
*President Board of Managers,
National Home for Disabled Volunteer Soldiers.*

REPORT OF THE SECRETARY.

NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS,
SECRETARY'S OFFICE,
December 2, 1916.

SIR: I have the honor to transmit herewith certain documents to accompany the annual report of the Board of Managers to Congress for the fiscal year ending June 30, 1916. They consist of—

The proceedings of the board of managers at its various meetings is a record of what has been done by the board in the performance of its duties. The reports of the governors show in detail all that is important relative to the local administration of the branch homes.

The papers above referred to contain full information in regard to the management of the home.

Respectfully, yours,

JAMES S. CATHERWOOD,
Secretary Board of Managers,
National Home for Disabled Volunteer Soldiers.

Gen. GEORGE H. WOOD,
President Board of Managers,
National Home for Disabled Volunteer Soldiers.

PROCEEDINGS OF THE BOARD OF MANAGERS.

PROCEEDINGS OF THE BOARD OF MANAGERS OF THE NATIONAL HOME FOR DISABLED VOLUNTEER SOLDIERS, SEPTEMBER 7, 1915.

CENTRAL BRANCH,
Dayton, Ohio, September 7, 1915.

The board met in regular quarterly session at 12 m.

Present: Col. Fred. J. Close, president of the board; Capt. Thomas S. Bridgham, second vice president; Gen. George H. Wood, secretary; Capt. John C. Nelson; Hon. James S. Catherwood (joined at the Danville Branch).

There were presented letters from Maj. J. W. Wadsworth and Col. H. H. Markham, explaining their absence.

The minutes of the last meeting were submitted and approved.

The president of the board reported that he had waived or modified the apportionment of appropriations made under the requirements of the act of February 27, 1906, as follows:

Southern Branch, subsistence: Allotment for the September quarter increased from \$37,000 to \$40,000, and allotment for the June quarter decreased in the same amount. This modification was necessary because of an unexpected increase in the membership during the September quarter, involving the purchase of additional supplies for their maintenance.

Pacific Branch, hospital: By reason of the high prices of drugs and other hospital supplies, and to the increased requirement for special diet, the allotments for the first six months of the fiscal year were deemed inadequate. The apportionment was therefore modified so as to add \$500 to each of the September and December quarters, and to deduct a like amount from each of the March and June quarters.

The president of the board presented the estimates for the quarter ending December 31, 1915, which, after careful consideration, were agreed upon as follows:

Whereupon the following was adopted:

Resolved, That the Board of Managers of the National Home for Disabled Volunteer Soldiers estimates and appropriates, out of the moneys which may be provided by law, the sum of \$996,975 as necessary to meet the expenses of the branches and for clothing, salaries, outside relief and incidental expenses of the National Home, and \$275,000 for aid to State or Territorial homes, for the quarter ending December 31, 1915; and that the general treasurer be, and he is hereby, authorized and empowered to obtain the sum of \$1,271,975 from the Treasury of the United States, to receipt therefor and to transfer and disburse said sum as authorized by law.

Upon motion, paragraphs 435, 442, 443, 445, and 461, Home Regulations, were annulled and paragraphs 262, 269, and 441, were amended to read as follows:

262. Tobacco will be issued free to such members of the home as receive no income from labor or pension and who require it for their personal use. The monthly allowance will be 16 ounces of chewing or 15 ounces of smoking tobacco, issues to be made at the beginning of each month. Free issues will be denied to any member detected in disposing of his allowance to others.

269. The clothing of a member furloughed or discharged will be turned in to the quartermaster before the member leaves the branch. Clothing turned in by a member suffering with any infectious, contagious or communicable disease will not be reissued but will be destroyed. All other clothing turned in will, if in condition to be made serviceable, be dry cleaned, repaired, and reissued; except that in case of a furloughed member, his hat, cap, shoes, and any garments made on special measurements will be held for him 90 days before it is distributed to stock for reissue. A member furloughed or discharged will not be permitted to take away home clothing except in case of urgent necessity, when, in the opinion of the governor, a strict enforcement of the rule would result in hardship.

441. A check drawn by a branch treasurer on the pension fund payable to a pensioner who has executed a receipt for the amount thereof, is considered a payment of pension if the pensioner is alive on the date the check is drawn. If the pensioner is not alive on the date check is drawn the transaction is null and void and the check will be canceled and the amount credited on the pension account of the deceased member. A check drawn payable to the order of a pensioner who was alive on date it was drawn but died without indorsing it, if returned to the treasurer, will be indorsed by him, cashed through the bank in the usual course, and the proceeds taken up as effects of deceased member. Upon receipt of information of the death of a pensioner to whom a pension check has been issued, prompt measures must be taken to ascertain the exact date of his death.

Upon motion, it was

Resolved, That the moving of the headquarters office from New York City to Kansas City, Mo., was a permanent change of station, which necessitated the moving of officers and employees connected with the office; and that there be paid from the ward fund to such officers and employees in reimbursement of the transportation of their baggage, including household effects, such part of the amounts actually paid by them therefor as may be determined on a weight allowance by freight limited to the allowances prescribed by Army Regulations for officers and employees of similar grades on a permanent change of station.

The board made the usual inspection of grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

SOUTHERN BRANCH, *December 3, 1915.*

The board made the usual inspection of grounds, barracks, hospital, and other buildings, and the written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Eighteen members appeared before the board and such complaints and requests as were made were acted upon.

Upon motion, paragraphs 406, 595, 597, and 598, Home Regulations, were annulled and paragraphs 405, 592, 593, and 594, Home Regulations, were amended to read as follows:

405. The posthumous fund is the term used to designate the moneys taken up under the head of current expenses as effects of deceased members in accordance with the provisions of the act of Congress of August 18, 1894. For convenience in the settlement of claims presented by heirs and legal representatives and to facilitate proper accounting, this memorandum account is kept.

592. Records will be kept by the superintendent of the general depot in the form prescribed to show amounts due employees working by the day or month, to show amounts due employees working by piecework, materials received, expended, and on hand, articles fabricated, transferred, and on hand, manufactured articles received, transferred, and on hand, and a record of all machines, tools, office equipment, etc., with value.

593. A monthly return will be rendered to the general treasurer showing all articles and materials on hand at the beginning of the month, received by purchase, fabrication, or transfer, and all expended by transfer, fabrication, condemned, or sold during the month, and the numbers remaining on hand on the day of return. The return will be supported by lists of supplies expended and articles fabricated.

594. An annual report will be made showing the operations of the general depot under each head of appropriation in accordance with the instructions on the form provided.

Upon motion, the general treasurer was authorized, within his discretion, to discontinue the purchasing, fabricating, and distributing of supplies to the several branches under the heads of current expenses, subsistence, household, and hospital, if it is found that such supplies heretofore purchased and sent to the general depot or fabricated there can be purchased and delivered to the branches to a better advantage than under the present system.

Upon motion, the general treasurer was authorized to discontinue the printing office at the general depot as soon as proper provision can be made for furnishing to the branches blanks, stationery, etc., for the remainder of the current year, and to transfer to the quartermaster of the Central Branch the printing plant, equipment, etc.

Upon motion, it was ordered that the governor of the Central Branch be directed to have the engineer prepare plans and specifications for doubling the bed capacity of the tubercular ward, the plans

and specifications to be approved by headquarters office. Payment to be made from the general post fund, the total cost not to exceed \$2,000.

Upon motion, the president of the board of managers was directed to sell on or before February 3, 1916, the bonds of the Federal Consolidated Monumental Granite Co. and to report his action on that date to the individual members of the board.

If, however, the bid or bids made for the bonds shall be less than the price paid for the bonds, to wit, 92 and accrued interest, before the same is accepted it shall be submitted by wire to a committee composed of Capt. John C. Nelson, Maj. James W. Wadsworth, and Gen. George H. Wood, and the approval of a majority of said committee obtained before a sale is consummated.

Upon motion, it was ordered that there be appropriated out of the general post fund a sum not to exceed \$900 for the purchase of an automobile ambulance and truck wagon for the Marion Branch of the home, and that upon the purchase of the automobile ambulance a team of two horses shall be dispensed with by the home authorities.

Upon motion, the action of the president of the board in disapproving the request of the governor of the Southern Branch for a typewriting machine to be used in his quarters is approved.

Upon motion, it was resolved that it is the sense of the board of managers that expenditures for typewriting machines for chaplains are not justified.

Upon motion, it was ordered that there be appropriated out of the general post fund a sum not to exceed \$3,000 for the purpose of screening the hospital at the Southern Branch, and that the governor of the branch be instructed to have prepared detailed estimates for the necessary supplies as economically as possible and forward same to headquarters office as soon as practicable.

Upon motion, it was ordered that the attention of the governors and surgeons of the several branches be called to the requirements of paragraphs 205 and 206, Home Regulations, and that recommendations for transfer with transportation be made only when the certificate of the surgeon shows that the transfer is necessary to save or prolong life; that transfers to the Government Hospital for the Insane be made only in cases as authorized by paragraph 206, Home Regulations. A strict adherence to the requirements of these paragraphs is enjoined.

A letter from the governor of the Western Branch to the president of the board of managers, in relation to the excessive number of T. A. P. members at the Western Branch and suggesting the need of adopting measures for prompt admission of applicants, was given careful consideration, and it was the sense of the board of managers that the act of Congress prescribing eligibility of members does not authorize the admission or readmission of a member to the home except upon an order of a manager and that this authority could not be delegated by the board or by a manager.

Upon motion, it was ordered that a circular letter be sent out from headquarters office directing that medical examinations be made of

all men before they are sent to the T. A. P. barrack, hospital, or other quarters, and that the attention of the governors be directed to the requirements of paragraph 275, Home Regulations, in order that all T. A. P. members be provided with proper and suitable clothing.

The board then proceeded to Washington, D. C., to reconvene on December 6, 1915.

The president of the board reported having received and accepted the following resignations:

Eastern Branch.—Dr. Henry K. Stinson, assistant surgeon, to take effect May 9, 1916.

Western Branch.—Dr. John C. Boone, assistant surgeon, to take effect April 5, 1916. Dr. Lloyd G. Campbell, assistant surgeon, to take effect May 25, 1916.

The president of the board reported that, under the authority heretofore conferred by the board, he had made the following appointments:

Western Branch.—Dr. Henry C. Weber, assistant surgeon, to date from April 20, 1916. Dr. John L. Fryer, assistant surgeon, to date from May 26, 1916.

The president of the board presented General Orders, No. 3, amending Home Regulations, which was considered, discussed, and, upon motion, approved for publication.

The president of the board of managers presented proposals for furnishing fuel oil and for furnishing coal at the Western Branch for the fiscal year 1917, together with report of the governor of the Western Branch of date May 23, 1916, comparing the cost of using fuel oil and coal based on prices bid, from which it appears as follows:

Cost to purchase fuel oil: 1,700,000 gallons at \$0.0324 per gallon..... \$55,080.00
 Cost to purchase coal:
 If stoker-fired—18,523 tons (2,000 lbs.) at \$2.50 per ton..... 46,307.50
 If hand-fired—20,207 tons (2,000 lbs.) at \$2.50 per ton..... 50,517.50
 Cost of fuel oil and coal, and operating expenses of each:

Annual operating expenses.	Oil.	Coal, hand-fired.	Coal, stoker-fired.
Fuel.....	\$55,080.00	\$50,517.50	\$46,307.50
Labor.....	5,500.00	13,700.00	7,700.00
Subsistence.....	1,600.00	3,900.00	2,200.00
Depreciation ¹		900.00	2,400.00
Maintenance ¹	500.00	400.00	1,500.00
Total.....	62,680.00	69,417.50	60,107.50

Computed only on additional investment or that which would be replaced.

The plant is equipped to burn oil. To convert it so as to burn coal would require, according to report made by United States Bureau of Mines, in February, 1914: To hand-fire, \$21,100; to stoker-fire, \$77,200. This estimate was made on the prices of materials at that time, and at present prices would need to be increased from 30 to 40 per cent. There are no funds available under the appropriation to defray the expense of converting the plant so as to burn coal.

After discussion and full consideration of the foregoing facts, Maj. Wadsworth offered the following resolution, which was adopted by unanimous vote:

Resolved, That in the judgment of the board of managers coal as a fuel can not be procured and used more economically at the Western Branch, National Home for Disabled Volunteer Soldiers, than oil, and that it is to the best interests of the home to continue the use of fuel oil.

Upon motion there was appropriated from the general post fund a sum not to exceed \$900 for the purchase of an automobile ambulance for the Mountain Branch, similar to those in use at other branches.

The president of the board submitted the estimates for the several branches for expenditures from the general post fund for providing

amusements for the fiscal year 1917. After consideration, upon motion and by unanimous vote, it was ordered that the maximum amount to be spent for the purposes embraced in the estimates at the several branches be fixed as follows:

Central Branch.....	\$10,000
Northwestern Branch.....	8,000
Eastern Branch.....	8,000
Southern Branch.....	9,000
Western Branch.....	9,000
Pacific Branch.....	9,000
Marion Branch.....	8,000
Danville Branch.....	9,000
Mountain Branch.....	6,700
Battle Mountain Sanitarium.....	2,600
Total.....	79,300

Upon motion of Capt. Nelson, it was ordered that there be appropriated out of the general post fund the sum of \$12,000 for the construction of a library building at the Marion Branch, and that the plans and specifications as submitted be amended so as to provide for steel ceilings throughout and that the location of the doors leading to the lavatory on the main floor be changed.

The president of the board presented plans and specifications for 6 cabins, for 16 men each, at the Pacific Branch, in accordance with the resolution of the board at the March, 1916, meeting. Also modified plans and specifications for 12 cabins, for 8 men each, which were recommended by Col. Markham, local manager. Upon motion and by unanimous vote, it was ordered that the plans as indorsed by the local manager be approved and that the construction of the buildings be authorized at a cost not to exceed the amount heretofore appropriated by the board.

Upon motion, it was ordered that officers of the National Home for Disabled Volunteer Soldiers who are subject to call into the active service of the United States be given a leave of absence for 90 days without pay, with privilege to ask for an extension, when called into such service.

Upon motion, it was ordered that there be appropriated out of the general post fund a sum not to exceed \$5,500 for the construction of additions to the tubercular ward at the Central Branch.

The board made the usual inspection of grounds, barracks, hospital, and other buildings, and written criticisms of the several members of the board were referred to the governor for appropriate action.

An opportunity was given, after due announcement, to members to appear before the board for the purpose of presenting complaints or requests. Eight members appeared before the board and such complaints as were made were acted upon.

The board then proceeded to New York City, to reconvene on June 23, 1916.

NEW YORK, N. Y., *June 23, 1916.*

It appearing that certain civilian employees have been acting as members of committees and reporting what they deem irregularities in the home management to outside persons and not to the home au-

thorities so as to aid in improving conditions, upon motion, it was ordered that notice be given that it is the duty of employees to report any irregularities, through the proper channels, to the governor of the branch rather than to persons not responsible for the management of the home; that a violation of this duty will be considered considered sufficient cause for dismissal from the service.

Upon motion, it was ordered that Barrack E, Eastern Branch, be condemned and sold.

There being no further business before the board, upon motion, the board adjourned, to meet at headquarters office, National Military Home, Ohio, at 11 a. m., on Wednesday, September, 27, 1916, proceeding thence to the Marion, Danville, and Northwestern Branches of the home.

TABLE N.—Ward memorial fund in the hands of the president, board of managers.

This fund originated with the bequest in the will of Horatio Ward, of Virginia, who died in London, England, in 1867, of certain State bonds of face value \$100,000 and accumulated interest of \$11,155 at the time it was turned over to the board of managers in 1871. Some of these bonds of the States of Virginia, North Carolina, and Tennessee were afterwards compromised and refunded for less than the face value. Expenditures from this fund and its increment have been made by the board of managers to erect chapels, amusement halls, and other objects to promote the comfort and welfare of the members of the several branches where no general appropriation was available. SANITARY REGULATIONS.

The sanitary condition of the branch has maintained its good character during the year. Nothing has occurred that would indicate unsatisfactory conditions anywhere within the limits of the home. The water supply has been good, pure and abundant. Sanitary conditions are of such a character as to eliminate in a large measure, if not absolutely, breeding places for flies. Lime is abundantly used about the composts, dump, and other places where flies might accumulate. The garbage and debris is consumed daily by burning at the dump. The barn and dairy barn have been thor-

oughly whitewashed and painted, and are kept in good sanitary condition. The basement at the hospital, the tunnels, and other basements have been thoroughly whitewashed, and are kept in a first-class, sanitary condition.

RELIGION AND SOCIETIES.

From: Chaplain J. King Gibson.
 To: The Governor, Central Branch.
 Subject: Report for fiscal year ending June 30, 1916.

On December 1, 1915, I was appointed to a chaplaincy of this branch in place of the very successful and honored chaplain Rev. H. A. McDonald, resigned. The officers and members of the home received me cordially and have sought to further my work. Preaching services are held in the chapel Sabbath forenoon, and in the afternoon I conduct worship in the blind, cancer, and eye wards of the hospital. We have a girls bible school Sabbath morning with special reference to the waitresses at the dining halls, and a bible class for men with prayer services Wednesday afternoon. I visit the hospital daily, and frequently go to the barracks. There have been 239 burials during the year, 86 of them conducted by Chaplain McDonald, and 153 by myself. My appreciation of this splendid home and its opportunity for Christian service has grown steadily.

Respectfully submitted.

J. KING GIBSON.

From: Chaplain B. F. Kuhlman.
 To: The Governor, Central Branch.
 Subject: Report for fiscal year ending June 30, 1916.

The chaplain has the honor to report as follows for the past fiscal year:

As in former years he visited the hospital at least once a day. Seventy of his flock died, though he administered the last rites of the church to more than that number. His serious work among the sick and dying was lightened by the hearty welcome uniformly received from patients, physicians, and nurses. He can testify without reserve to the sympathy, devotion, and skill of the medical staff and body of nurses in their constant work of mercy in the wards. In the chapel, all the year round, mass was said every morning, and daily the opportunity was afforded to receive communion before the second breakfast hour. At the second mass on every Sunday the choir rendered, as artists and with devotion, the best of church music. The efficiency, zeal, and regularity of the singers deserve all commendation. They assisted too at Sunday vespers and at the holy hour Thursday evenings.

A mission of six days, preached in May, by Rev. John Hickoy, drew large congregations and proved to be of much spiritual benefit.

The chaplain's 13 years of service in the home strengthens his conviction that this institution as conducted at its Central Branch is proof of the Nation's gratitude and generosity toward her soldiers.

Respectfully,

B. F. KUHLMAN.

SANITARY REGULATIONS.

Regular inspections of the buildings and grounds are made each quarter by the surgeon.

The surgeon inspects the prepared ration at the general mess and old men's mess several times a month.

An assistant surgeon is assigned every day to inspect the hospital meals both in the wards and in dining room and make report to surgeon.

Weekly inspections are made by an assistant surgeon to note general sanitary conditions of the home, and written report is made.

All garbage is removed twice daily, and no insanitary accumulations are allowed.

Members are required to bathe at least once a week.

Applicants for admission or readmission and members returning from furlough or absence of more than three days are required to bathe and have their clothing sterilized.

The clothing of all members discharged or going on furlough is turned in to the quartermaster, and dry-cleaned and renovated before reissue.

Members suffering from ulcer and cutaneous diseases are properly segregated.

All members are vaccinated upon admission to the home, as are all civilians who have not been recently vaccinated.

The intermittent filtration system for sewage is still in successful and satisfactory operation.

The general health of the members has been as good as could be expected considering their age.

RELIGION AND SOCIETIES.

[Report of Rev. M. J. Huston, Catholic chaplain.]

Order of divine services held in the home chapel:

1. (a) Communion mass and short sermon, 5.30 a. m. This service is set for this early hour so that civilian employees and others who can not attend at a later hour may, if they wish, have a chance to hear mass.

(b) High mass and sermon, 7.30 a. m.; benediction of the blessed sacrament, 8.45 a. m.

(c) Rosary, litany, and evening prayer, 5.45 p. m.

Week days. (A) Mass and morning prayer, 7.30 a. m. (B) Rosary, litany, and evening prayer, 5.45 p. m.

Special. Lent, Wednesday, 3 p. m., sermon and benediction. Friday, 3 p. m., stations of the cross and meditation. Special services appropriate to the occasion were conducted on national holidays and church holidays. The confraternity of the Holy Rosary and the League of the Sacred Heart receive holy communion the first Sunday of the month. Confessions were heard every Saturday afternoon and on Sundays and week days before the 7.30 mass.

The chapel is open to worshipers every day from 5.30 a. m. until 6.30 p. m., and on Sundays from 4 a. m. until 7 p. m.

There were 61 deaths among the Catholic members. After the funeral services in the chapel the chaplain accompanies the remains to the cemetery and blesses the individual graves.

The chaplain takes a lively interest in all that pertains to the welfare of the home. In his visits to the hospital he has been received most graciously and rendered every assistance possible by the doctors and nurses in ministering to the spiritual wants of the sick and dying. Duties that at times would be rather arduous are made easy and light through the hearty cooperation of every officer and employee of the home. It is this friendly feeling, coupled with the desire to help each other, that makes life so pleasant at the Northwestern Branch.

[Report of Rev. Judson Titworth, Protestant chaplain.]

Services on Sunday at 10 o'clock a. m. for worship with preaching, and on Wednesday at 2 p. m. for Christian fellowship, conference, and prayer, have been held regularly. The attendance is slowly decreasing, owing to the increasing age and infirmities of the Civil War veterans. The interest of the younger members of the home I do not seem able to arouse, much to my regret and disappointment.

The most worth-while part of my ministry as chaplain is to the men in the hospital, and I have a growing appreciation of it. As to others, my best service is rendered through personal and familiar intercourse.

Funerals, 129. This takes no account of deceased members buried elsewhere.

SANITARY REGULATIONS.

Regular inspections of the buildings and grounds are made by the surgeon, report of which are submitted in writing to the governor. The governor also makes a quarterly sanitary report to the president of the board of managers. Members are required to bathe regularly once each week and new members immediately upon arrival at the home, at which time they are supplied with clean underclothes. All used clothing is thoroughly renovated and cleaned in the dry-cleaning plant before reissue to members.

Daily examinations of milk are made in the laboratory as prescribed by Home Regulations.

All members entering the home who are unable to show a satisfactory scar from recent vaccination are vaccinated at the time of medical examination.

Weekly inspections are made by one of the medical staff of the home grounds, stables, places where refuse is kept, etc., with a view to preventing the breeding and propagating of flies.

Care is taken to prevent as far as possible the careless expectoration of tuberculous patients, each patient being provided with sputum cup and disinfectant.

From: The chaplain.
To: The governor.
Subject: Data for annual report.

A service of worship, with sermon and appropriate music by quartette and organ, has been held each Sunday morning of the year. The attendance has been satisfactory and a marked increase in interest shown. During the winter months a Bible class has been conducted by the chaplain, which has proved interesting and profitable, if the judgment of the members is to be credited. One evening of the week during the winter season has been set aside to read some worth-while story to men who are in the hospital.

The song service held in the hospital on Sunday evenings has been largely attended by the men.

Since October 10, 1915, I have officiated at 63 funerals, making the total for the year 78.

I have visited the hospital regularly each week, covering all the wards, and have responded to all calls, at whatsoever time they have come.

CHARLES HOSEA TEMPLE.

JULY 5, 1916.

From: The chaplain.
To: The governor.
Subject: Data for 1916 report.

There were 59 deaths among my parishioners, and the remains of 22 were forwarded to designated addresses.

The Sunday attendance at mass is exceedingly gratifying. The church is generally well filled, and the number present is usually 350.

Solicitude on my part for the spiritual welfare of the patients in the hospital is continually felt and frequently made manifest, especially when the opportunity presents itself.

I am now practically beginning the twenty-sixth year of service at this branch, as I passed on the 20th of last month the twenty-fifth milestone of my acceptance of priestly duties at the home.

RELIGION AND SOCIETIES.

JULY 10, 1916.

Have conducted two services each Sunday, with sermon in the morning, and song service in the evening.

Illustrated lecture given monthly, on religious and secular subjects.

Conducted 156 burials during the year.

Daily visits made to the hospitals, baptized and administered communion to many during the year. Have written a large number of letters for the sick.

Secured and distributed bibles, magazines, and religious papers.

Woman's Christian Temperance Union, as in the past, are doing a splendid work—a weekly service held from September 1 to June 1. Weekly prayer meeting for the colored members of the home has been well attended.

Chapel attendance very encouraging.

Respectfully,

(Signed) J. C. JORALEMON, *Chaplain*.

I hereby respectfully submit my annual report, as Catholic chaplain to the Soldiers' Home, Hampton, Va., for the year ending June 30, 1916:

2. I conducted 57 burials.

3. Sick calls, 320.

4. Public services, 225.

5. Sermons, 115.

6. Confessions, 2,050.

Respectfully,

THOMAS J. WILSON.

SANITARY REGULATIONS.

The sanitary condition of the branch has been good throughout the year. Frequent inspections have been made of the buildings and grounds by the surgeon and assistant surgeons.

A greater number of cases of pneumonia and deaths therefrom occurred during the winter months than usual, which was due to the epidemic of influenza which was prevalent in this section. With the above exception there has been no unusual sickness.

The order for segregating cases of chronic ulcer and skin diseases has been complied with; also the disinfecting or destruction of bedding, clothing, and personal belongings of members having infectious, contagious, and communicable diseases.

Garbage is removed daily from the buildings, and slops from the mess halls is removed three times daily.

An effort is made to reduce the number of flies and mosquitoes by destroying their breeding places and by various other destructive means.

RELIGION AND SOCIETIES.

The reports of the branch chaplains are herewith submitted:

From: James M. Payne, chaplain.
To: The governor.
Subject: Annual report.

1. The following report is herewith submitted for the fiscal year ending June 30, 1916: The usual Sunday and weekly meetings have been held during the year, namely, Sunday prayer and praise service, 9 a. m.; regular service with sermon, 1.30 p. m.; Christian Endeavor, Tuesday, 9 a. m.; temperance meeting, Wednesday, 2 p. m.; prayer meeting, Thursday, 9 a. m.

The attendance at preaching service on Sunday has been good, the chapel well filled; in fact, during the year additional chairs were required to accommodate the congregation and were appropriated for and purchased from post fund. Attendance at other meetings during the week has been from 20 to 80.

I visit the hospital twice daily and attend all calls upon the sick, writing letters and doing errands for them when desired.

I have attended 207 funerals during the year, rendering services at the grave.

JAMES M. PAYNE.

From: The chaplain.
To: The governor.
Subject: Information for annual report.

Week day services: Mass and communion 7.30 a. m.; evening prayer and rosary, 6 p. m.; confessions on Saturday and eve of holy days, 6 p. m.

The attendance on Sunday is good, the average attendance at each mass being 150. Week day attendance at mass 25.

Communions received during the year about 2,000.

Chapel societies: 1. Confraternity of the Living Rosary meets daily at 6 p. m., membership 45. 2. League of the Sacred Heart meets on first Friday of each month at 6 p. m.

I visited the hospital every day and attended all calls by day and night.

SANITARY REGULATIONS.

The general health of the members has been as good during the past fiscal year as could be expected considering their age. We had one epidemic of pneumonia and influenza during the months of December and January, which epidemic was prevalent all over the country.

The regular inspection of the barracks and grounds has been made each quarter by the surgeon. The general mess is inspected weekly by the surgeon; other messes twice monthly. The hospital messes are inspected daily by the surgeon, also by one of the assistant surgeons.

An assistant surgeon makes weekly inspections of the different parts of the camp, with a view of eradicating the flies.

The regulation issued concerning the handling of clothing, which has been worn by men suffering from infectious and contagious diseases, has been strictly carried out. A separate sterilizing room has been built for this purpose, also a separate storage room to take care of clothing left by tubercular patients going on furlough.

The milk from the hospital and general mess has been examined daily by an assistant surgeon.

All of the bedding, linen, and towels from the tubercular and cancer wards are sterilized and washed separately.

RELIGION AND SOCIETIES.

Protestant chaplain's report.

I have preached in our home chapel every Sunday, except the first Sunday that I was chaplain of the branch home. The seating capacity of the chapel is 426.

Every Wednesday at 3 o'clock in the afternoon I hold a meeting for prayer, bible study, singing, and Christian conference. The average attendance at these meetings is about 55.

I have held myself ready to respond to any suggestions from comrades, have visited special cases, administered Christian baptism to one comrade, and visited the wards of the hospital frequently.

Catholic chaplain's report.

SECRETARY BOARD OF MANAGERS.

SIR: I have the honor to submit the following report for the fiscal year ending June 30, 1916:

Services in chapel.....	387
Visits to hospital.....	330
Funeral services conducted.....	57
Average attendance at mass in chapel on Sundays.....	310
Average attendance in chapel at night prayer and rosary, daily.....	70
Average attendance at daily mass on week days.....	65
Sermons preached.....	88

A number also attended Catholic services at churches outside the home grounds, in Hollywood, Los Angeles, and beach towns.

A mission conducted during the year by 18 eloquent speakers selected from the diocesan clergy contributed largely to bring around this pleasing result. The chaplain can not refrain from giving expression to his parishioners' grateful appreciation of the facilities for worship supplied by the Government.

SANITARY REGULATIONS.

1. The sanitary regulations are those approved by the president of the board of managers. The fly crusade continues; an assistant surgeon specially detailed, makes an inspection of the buildings and grounds weekly and submits his report with recommendations to the governor.

2. Aside from grip last winter, and a few cases of measles among the employees, there have been no epidemics during the last fiscal year.

RELIGION AND SOCIETIES.

From: Chaplain Myers.
 To: The governor, Marion Branch.
 Subject: Annual report.

I have the honor to submit the following report for the fiscal year ending June 30, 1916:

I have conducted the usual Sabbath services during the year. These have consisted of a sermon, and music by an organist and an excellent quartet.

I delivered lectures on Sunday nights during the winter. These were illustrated by stereoptican views, and were increasingly interesting.

During the winter months I taught a Bible class. This was more especially for the benefit of the employees in the home who could not attend the regular services; but all in the home had the privilege of attending, and quite a number became interested in Bible study. Some attended Sabbath school at the churches near the home and in the city.

Our church attendance by the old men is not as large as in former years. Some are taken there in wheeled chairs.

I have answered all calls of the sick, and have visited the hospital daily.

We have the following organizations which are useful:

D. E. MYERS.

From: Chaplain Durham.
 To: The governor, Marion Branch.
 Subject: Annual report.

I have the honor to report as follows for the fiscal year ending June 30, 1916:

During the year services have been held every Sunday, Friday, and holiday, in the Catholic chapel. The attendance, considering the advanced age and infirmity of many members, has been most gratifying. In all 58 sermons were preached during the year.

The League of the Sacred Heart and the Rosary Society are established, though the membership is not as great as I could wish. The rosary is recited, as night prayers, every evening at 4.30.

Regular visits, averaging about three times per week, have been made to the hospital and all sick calls have been promptly answered.

Thirteen funerals were conducted by me. Services in each instance were held at the grave of deceased. Other Catholic members died, but their remains were claimed by relatives.

RELIGION AND SOCIETIES.

From: Wm. J. Cleary, chaplain.
 To: The governor, Danville Branch.
 Subject: Religion, report 1915-16:

I have the honor to report as follows for the past fiscal year:

Services were held in the home chapel every day during the year. The time of services is set at hours when members and employees of the home can most conveniently attend. On week days mass at 7.30 a. m.; evening prayer and rosary at 6 p. m. Sunday services consist of communion at 6 a. m., mass at 9 a. m., benediction and evening prayer at 6 p. m.

The average week-day attendance is 40; average Sunday attendance 230. Sermons are preached at the Sunday masses throughout the year, and the services of well-trained choristers adds much to the solemnities.

The members of the home are given exceptional privileges for the practice of their religious duties, and those who are sick in the hospital are visited daily. Letters are written upon request and reading materials supplied for the sick. There have been 30 deaths during the year. At each funeral the obsequies are conducted in the chapel and a brief service also held at the grave.

WM. J. CLEARY.

From: Chaplain Stipp.
 To: The governor.
 Subject: Annual report.

Services have been held with preaching every Sunday morning, and have been well attended, with fine interest; and special services, suitable for each occasion, have been held on the Sundays preceding Thanksgiving, Christmas, and New Year's, and Easter and Memorial Sundays.

Also assisted by singers supplied by the Christian Endeavor Union, I hold services of singing, scripture reading, and prayer in the different wards of the hospital every Sunday afternoon. Also make regular visits to the hospital three times each week, visiting all the wards each time, requiring from two to three hours, and take every man by the hand and speak a few kind words of sympathy and cheer to each one.

Have held funeral services for 151 men in the 10 months I have been here, not including those buried elsewhere. All funerals are well attended.

T. L. STIPP.

RELIGION AND SOCIETIES.

From: The chaplain, Mountain Branch.
 To: The governor.
 Subject: Annual report.

1. For the year ending June 30, 1916, I have the honor to report the following schedule of religious services and societies:
2. Regular preaching service, with good attendance, and interest well sustained. Midweek prayer meeting held regularly; attendance and interest better than ever before in the history of the home, a good per cent of those present, both members and employees, taking part.
3. Semiweekly visits made to hospital and all calls promptly answered. All funerals belonging to my responsibility conducted.
4. Memorial Sunday was observed with appropriate services, attendance large and inspiring. All patriotic orders of the home attended in a body.

J. A. RUBLE.

From: The chaplain, Mountain Branch.
 To: The governor.
 Subject: Annual report.

The religious work during my incumbency has been substantially the same as that of my immediate predecessor. Mass has been celebrated and communion given daily. Confessions have been heard regularly on Saturday afternoons and evenings; benediction has been given on Sundays, first Fridays, and special feast days; sermons have been preached on all Sundays and on Wednesday evenings during Lent; and the rosary has been daily recited, except when vespers were sung.

The hospital has received my special attention, the consolations of religion and the sacraments being given to the sick and dying members of my faith, and kindness, charity, and good will extended to all.

W. P. McINTYRE.

SANITARY REGULATIONS.

Sanitary conditions have been good during the past year.

Regular inspections of the buildings and grounds are made each week, and every quarter a thorough sanitary inspection is made and written report of conditions submitted.

All garbage is removed promptly. Manure from the stable is removed each morning to a screened receptacle, from which it is hauled daily and deposited on the farm for fertilizer.

We have no breeding places for flies in the sanitarium or on the reservation. All garbage cans are inclosed by wire screens.

All patients are required to bathe on admission to the sanitarium, and at least once each week thereafter. Patients' clothing is fumigated on admission, if indicated.

All patients are thoroughly examined at the time of admission, and those that require it are vaccinated.

The sputum of tubercular patients is properly cared for, and all flasks and cups are disinfected daily with steam, in addition to antiseptic solutions used in these receptacles.

Soiled and infected clothing is sterilized with steam under high pressure, or destroyed if indicated.

Pillows, mattresses, and blankets are systematically sterilized.

All tubercular patients are isolated. All positive syphilitic patients are isolated as far as practicable and required to use marked dishes.

RELIGION AND SOCIETIES.

Three religious services are held each week, a preaching service on Sunday morning at 10.30, a Bible study class on Sunday afternoon at 2 o'clock, and a fellowship and prayer service on Monday evening at 7 o'clock.

The attendance at these services is good and the spirit that pervades them excellent. The fellowship service especially seems to have been a great help to many. Special services, which were largely attended, were arranged for Christmas, Easter, and Mother's Day.

We plan to visit all the bed patients every week-day afternoon, rendering the aid within our power by ministering to their spiritual needs, writing and reading letters, and attending to any business and personal affairs they may desire. We make a general visit of all the wards several times a week to get acquainted with the new men that are coming in and to ascertain the moral and spiritual wants of all.

The following tabulated items will show perhaps a little more fully the extent of the work done: Bibles and portions of Scripture distributed 91, prayer books 7, baptisms administered 1, prayer meetings conducted 28, Sunday Schools 21, sermons preached 37, funerals conducted 29, letters written 200, letters read 80, special sick calls answered 6, official meetings attended 7.

ARZA P. JAMES, *Chaplain.*

SIR: As Catholic chaplain of Battle Mountain Sanitarium, Hot Springs, S. Dak.,— I have the honor to submit my sixth report:

Every Sunday and holy day of obligation holy mass was celebrated in the sanitarium chapel. Three hundred twenty-two confessions were heard, as many communions distributed, 6 deathbeds or possible deathbeds were attended, and the sick and bedridden were regularly provided with the consolations of our faith. A sermon was preached at every public service. The attendance at the services by members of the institution and by visitors was large. People not of our faith are always welcome to attend our services. Two converts are now receiving private instruction. Three pledges were taken, and as many Catholic funerals were held. For the library a fair amount of Catholic literature has been provided as last year.
